

**Rasika T**

---

## Objective

Passionate and highly skilled Computer Science professional with II years of experience in software development, programming, and problem-solving. Seeking a challenging role to utilize expertise in to contribute to the development of innovative solutions and technological advancements.

---

## Education

**[University Name]** – [City, State]

**Bachelor of Science in Computer Science** – [Month, Year]

- Relevant Coursework: [list key courses, e.g., Algorithms, Data Structures, Machine Learning, etc.]
  - Academic Achievements: [mention any honors, GPA, etc.]
- 

## Technical Skills

- **Programming Languages:** [Python, Java, C++, JavaScript, etc.]
  - **Web Development:** [HTML, CSS, React, Node.js, etc.]
  - **Databases:** [MySQL, MongoDB, PostgreSQL, etc.]
  - **Tools & Frameworks:** [Docker, Kubernetes, AWS, TensorFlow, etc.]
  - **Version Control:** [Git, GitHub, GitLab, etc.]
- 

## Projects

**[Project Name]** – [Month, Year]

*Description:* Brief description of the project, what it does, and the technologies used.

- Key Achievements: [Any significant accomplishments or outcomes of the project.]
- Technologies: [Python, Flask, AWS, etc.]

**[Another Project Name]** – [Month, Year]

*Description:* Brief description of the project, what it does, and the technologies used.

- Key Achievements: [Any significant accomplishments or outcomes of the project.]
- Technologies: [React, Node.js, MongoDB, etc.]

---

## Professional Experience

[Company Name] – [City, State]

**Software Developer Intern** – [Month, Year – Month, Year]

- Developed and maintained [web applications, databases, etc.] using [technologies].
- Collaborated with cross-functional teams to design, develop, and implement new features.
- Optimized code and improved system performance, resulting in [measurable outcomes].
- Assisted in debugging and troubleshooting issues for production systems.

[Previous Job/Internship, if applicable]

[Job Title] – [Company Name] – [Month, Year – Month, Year]

- [Responsibilities and achievements related to the role.]

---

## Certifications

- [Certification Name] – [Issuing Organization] – [Year]
- [Certification Name] – [Issuing Organization] – [Year]

---

## Achievements

- [Any awards, scholarships, or special recognitions related to computer science.]
- [Hackathon participation, competitions, or achievements in the field.]

---

## Extracurricular Activities

- Member of [Computer Science Club, Hackathon Team, etc.]
- Volunteered at [local tech meetups, coding camps, etc.]

---

## Languages (Optional)

- [Language 1] – [Proficiency Level]
- [Language 2] – [Proficiency Level]
